

# VACANCY

## CHIEF EXECUTIVE OFFICER

### ABOUT DAURES GREEN HYDROGEN CONSORTIUM:

**Daures Green Hydrogen Consortium (DGHC)** is looking to grow its team. The Consortium will be developing the Daures Green Hydrogen Village in the Daures Constituency in the Erongo Region. The project will focus on green scheme agriculture underpinned by green hydrogen and green ammonia production. The pilot project intends to show proof of concept and use cases, subsequent phases will scale production to commercial levels over the course of the next few years. As such Daures Green Hydrogen Consortium intends to employ a **Chief Executive Officer** to lead our team based in Windhoek.
